

## TIPS FOR YOUR TRAVEL:

You are allowed to carry liquids in individual containers with a capacity of max 100 ml . The liquids have to be carried in a transparent plastic bag which is re-sealable and not greater than 11 in capacity.

Photocopy of your passport - store it in different place than where you keep your passport so that you have identification if your original passport is lost or stolen.

Take a photo of your luggage, like your clothes and valuables so you have proof in case something goes missing.

## FOR YOUR PERSONAL SAFETY:

## CHECK LIST FOR YOUR HOME:

## DO'S

Lock your home - windows, door, cellar, garden cabin...

Lock your cars and bikes or park them inside.

Inform your family or a trustworthy neighbor. Ask them to collect your mail.

## DON'TS

Do NOT post your vacation on any social platform - everyone will know you're not at home.
Place your under-seat bags with the zip
facing you to avoid the person sitting in front or behind from accessing the zipper. Store your bags face down to make it more difficult for someones else to open. securing your hand luggage as well as your carry-on luggage.
